

Dear VFA Program Participant,

Please see below for information on how to register for the second VFA Provider webinar. As mentioned in our communication sent to you on Tuesday, September 6, 2016, the topic of the presentation is the Adult Immunization Schedule. We are still waiting to hear your feedback on areas of the adult schedule and specific vaccines you want to find out more about during the webinar. Please e-mail us at my317vaccines@cdph.ca.gov with any specific topics of interest. As a reminder, since the content is geared toward clinicians, we suggest that the webinar be attended by a clinician from your site.
